Donnie McClurkin Lyrics Stand What You Do When You've Done Everything You Can and It Looks Like It Is Enough? And what do you say your friends turn around and you're alone, alone? Tell me what you give when you've given everything and it looks like you're not going to make it? Well, you just stand when there's nothing left to do You just stand, watch, the Lord sees you through Yes, after you've done everything you can just stand tell me how you handle the guilt of your past? Tell me, how are you going to deal with the shame? And how can you smile when your heart is broken and full of pain, full of pain? Tell me, what do you give me when you give everything? It seems that you can not get through a child, you just stand when there is nothing left to do You just stand, watch, the Lord see you through Yes, after you have done everything you can just stand stand and be sure not to get stuck in that bondage again You just stand and endure God's goal Yes, God has a plan Tell me what you do when you've done everything what can and it looks like you can't make it through? Child, you just stand, stand, don't give up, don't eat through the storm, stand through the rain through the pain, yes, through pain, don't bow down, don't give up, stay strong when God walks in and it won't be long before you've done everything you can. After you've done everything you can when you've been through pain after you've gone through the pain after passing the storm After you've gone through the rain, praying and crying, praying and crying Praying and crying, oh my After You're done you're going to be and Rose Ann Hart, Patricia V. Richardson , Nancy, Dr. Barbara G. Holmes for correcting those words. Writer(s): Donnie McClurkin © 1996-2014, Amazon.com, Inc. or its associates
